**Re: Application for Reengagement**

Dear John,

I wish to inform you that on 24 June 2021, the QQI Programmes and Awards Executive Committee (PAEC), considered your request to approve the QA procedures of the Communications and Management Institute.

I am now pleased to inform you that the PAEC has approved the QA procedures of the Communications and Management Institute for the following scope of provision: Minor Awards at Levels 5 and 6 across in those discipline areas in which programmes are already validated, delivered through face-to-face and blended learning modes.

The procedures are now deemed to be established in accordance with Section 30 of the Qualifications and Quality Assurance (Education and Training) Act 2012. The panel report and your response will be published on the QQI website.

As you know, the Panel identified a Condition of QA Approval. Following confirmation from the Panel chair, Annie Doona, the PAEC is satisfied that the amendment to the QA procedures proposed by the Communications and Management Institute satisfy the condition proposed.

We wish to remind you of your obligations under Section 30(3) of the Qualifications and Quality Assurance (Education and Training) Act, 2012 to publish the QA procedures as approved to your website and to provide a copy of the procedures as published to the QQI. Please inform QQI when the QA procedures have been published.

Please note that QA procedures should be continuously updated as appropriate in order to remain fit-for-purpose. QQI should be informed of any significant changes to QA procedures as approved.

We look forward to working with you on future applications for validation.

Yours sincerely,

---
